Welcome to GitHub

You've taken your first step into a larger world, @aaajajknjknjzsnn.

Completed Set up a personal account Step 2: Choose your plan Step 3: Tailor your experience

Choose your personal plan

Unlimited public repositories for free.
 Unlimited private repositories for \$7/month.

Don't worry, you can cancel or upgrade at any time.

Help me set up an organization next
Organizations are separate from personal accounts and are best suited for businesses who need to manage permissions for many employees.
[Learn more about organizations.](#)

Both plans include:

- Collaborative code review
- Issue tracking
- Open source community
- Unlimited public repositories
- Join any organization

A screenshot of a GitHub profile page for the user 'heidiknoblauch'. The top navigation bar includes a search bar, pull requests, issues, and gist links. A red circle highlights the search bar. Below the header, there's a profile picture placeholder, a 'ProTip!' message encouraging profile updates, and tabs for overview, repositories, and public activity. The 'Popular repositories' section lists five repositories: 'medicalheritagelibrary' (1 star), 'app-flickrperson' (0 stars), 'HistoryofExperiment' (0 stars), 'html' (0 stars), and 'NYUWorkshop' (0 stars). The 'Organizations' section shows one organization, 'BardE', with a red arrow pointing to it. Below the profile section, a timeline shows '21 contributions in the last year' from August to July.

A screenshot of a GitHub repository page for 'bardcollege / bardcollege.github.io'. The top navigation bar includes a search bar, pull requests, issues, and gist links. A red circle highlights the repository name 'bardcollege / bardcollege.github.io'. Below the header, there are tabs for code, issues (0), pull requests (1), wiki, pulse, and graphs. The repository description is 'bard college -- language and thinking'. Key statistics shown are 123 commits, 1 branch, 0 releases, and 2 contributors. The commit history lists several recent changes by 'keithohara' and others, with the latest commit being 'postman quote' at 'e2d9be1' 3 hours ago.

(2) fork <https://github.com/bardcollege/bardcollege.github.io>

This screenshot shows the GitHub repository page for `bardcollege/bardcollege.github.io`. The page includes a header with navigation links for 'This repository', 'Search', 'Pull requests', 'Issues', and 'Gist'. Below the header, there's a main navigation bar with 'bardcollege / bardcollege.github.io', 'Watch 3', 'Star 1', 'Fork 2' (which is circled in red), and other options like 'Code', 'Issues 0', 'Pull requests 1', 'Wiki', 'Pulse', and 'Graphs'. The repository summary shows '123 commits', '1 branch', '0 releases', and '2 contributors'. Below the summary, a list of files and their commit history is displayed, including 'dialogs', 'workshop1', 'workshop2', '.nojekyll', 'README.md', 'anthology.html', 'index.html', and 'style.css'. The most recent commit is by 'keithohara' and is dated '3 hours ago'.

File	Commit Message	Date
dialogs	simplified wiki & feelinglucky	2 days ago
workshop1	postman quote	3 hours ago
workshop2	update workshop2 readme	a day ago
.nojekyll	added .nojekyll to avoid github processing	4 hours ago
README.md	Update README.md	2 months ago
anthology.html	typo	4 hours ago
index.html	Update index.html	2 months ago
style.css	bigger pics	22 hours ago

A screenshot of a GitHub repository page. At the top, there are three buttons: 'Watch' (with 3 notifications), 'Star' (with 1 notification), and 'Fork' (with 2 notifications). The 'Fork' button is circled in red. Below it, a tooltip says 'Fork your own copy' and 'bardcollege.github.io'. The main repository information shows 'heidiknobauch / bardcollege.github.io' (forked from bardcollege/bardcollege.github.io) with 1 watch, 0 stars, and 3 forks. Below this, there are links for 'Code', 'Pull requests 0', 'Wiki', 'Pulse', 'Graphs', and 'Settings'.

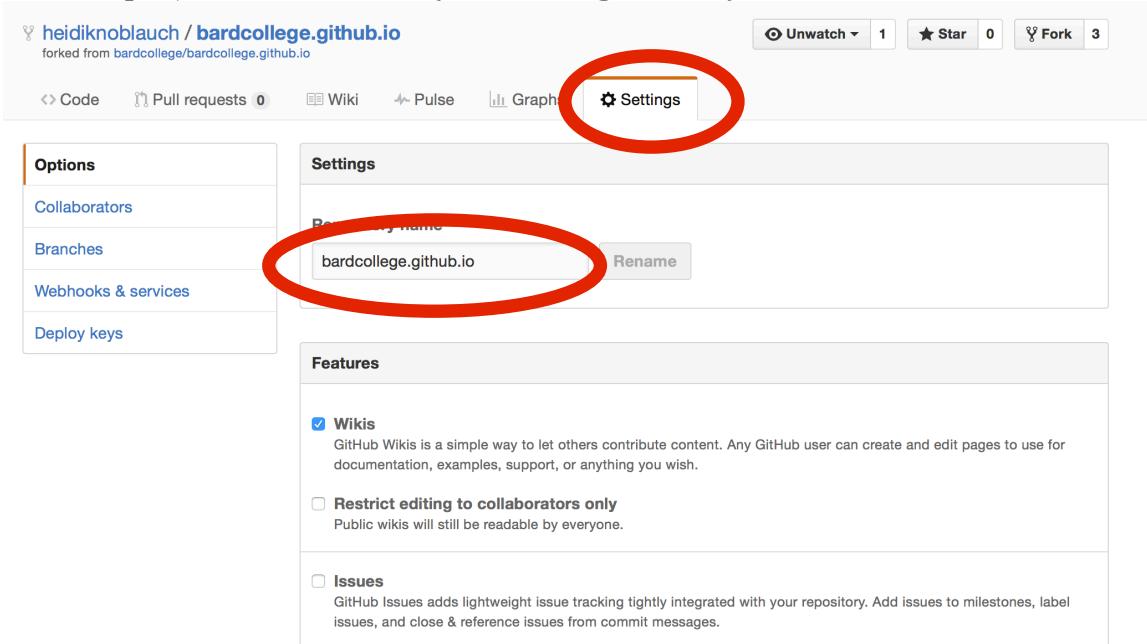

Forking bardcollege/bardcollege.github.io

It should only take a few seconds.

 Refresh

(3) rename project to username (username.github.io)

A screenshot of the GitHub settings page for the repository. The top navigation bar shows 'heidiknobauch / bardcollege.github.io' (forked from bardcollege/bardcollege.github.io) with 0 watches, 0 stars, and 3 forks. The 'Settings' button is circled in red. On the left, there's a sidebar with 'Options' (Collaborators, Branches, Webhooks & services, Deploy keys). The main 'Settings' section has a 'Rename' input field where 'bardcollege.github.io' is typed, with a 'Rename' button next to it. This input field is also circled in red. Below the settings, there are sections for 'Features': 'Wikis' (checked), 'Restrict editing to collaborators only' (unchecked), and 'Issues' (unchecked).

heidiknoblauch / bardcollege.github.io

forked from bardcollege/bardcollege.github.io

(4) edit HTML directly from Github

This branch is even with bardcollege:master.
